SUPERINTENDENT'S REPORT

At this moment it appears that there will be a substantial balance due to decreases in tuition payments, especially high school. This will make the district assessment the lowest it has been for a considerable length of time.

If it becomes necessary to send Orange high school pupils to some school other than Canaan there will be a very material increase in the rate.

In the course of time there will be an increasing number of cooperative school districts, and a greater number of preliminary studies. It would be well for Orange to keep in touch with these studies.

Respectfully submitted,

C. MAURICE GRAY
